FINDING OF NO SIGNIFICANT IMPACT

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named Village has decided not to prepare an Environmental Impact Statement (EIS) under the National Environmental Policy Act of 1969 (P.L. 91-190).

The reasons for such decision not to prepare an EIS are as follows:

- 1.) Environmental assessment of the project revealed no serious environmental impacts
- 2.) The project will not result in a significant impact on the quality of human environment

An Environmental Review Record respecting the proposed project has been made by the above-named Village which documents the environmental review of the project and more fully sets forth the reasons why an EIS is not required. This Environmental Review Record is on file at 17 West State Street, Port Austin, MI 48467 and is available for public examination and copying upon request at Village of Port Austin Hall between the hours of 8 a.m. and 4 p.m., Monday/Wednesday/Friday.

No further environmental review of such project is proposed to be conducted prior to the request for release of federal funds.

All interested agencies, groups, and persons disagreeing with this decision are invited to submit written comments for consideration by the Village to the Village of Port Austin Clerk at the Village Hall on or before November 1, 2024. All such comments so received will be considered and the Village will not request the release of federal funds or take any administrative action on the proposed project prior to the date specified in the preceding sentence.

RELEASE OF FUNDS

Village of Port Austin will undertake the project described above with Community Development Block Grant funds from the Michigan Strategic Fund under Title I of the Housing and Community Development Act of 1974. Village of Port Austin is certifying to the Michigan Strategic Fund that the Village Of Port Austin and Todd Murawski in his official capacity as Village President consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval the Village of Port Austin may use the Block Grant funds and the Michigan Strategic Fund will have satisfied its responsibilities under the National Environmental Policy Act of 1969.
